OF CONVICTION.

Defendant.

.

Above defendant arraigned before me February 25th, 1924, charged by State Trooper Appar with operating an automobile while under the influence of liquor. Trial postponed until Feb. 26/24, again until Feb. 29/24, and again until March 21/24.

Said defendant appeared before me March 21st, 1924, and entered a plea of "not-guilty."

Dr. Yood, a witness on behalf of the State was called and testified that he was a physician, and he made an examination of the defendant, Cyrus Wilcox, and pronounced him to be under the influence of liquor and unfit to operate an automobile.

Clayton W. Apgar, State Trooper, testified that on the night of February 25th, 1924, he placed the said Cyrus P. Milcox under arrest for operating an automobile on Sycamore Street while under the influence of liquor. He stated that in his opinion the defendant was drunk and unable to operate a car and that he was so intoxicated that his body was leaning on the wheel while the said Cyrus P. Wilcox was operating said automobile.

Chief Kiely another witness called on behalf of the State testified that in his opinion Cyrus P. Wilcox had been drinking.

The State then rested.

The defendant Cyrus P. Wilcox testified that he had been drinking but that he was not under the influence of liquor.

I adjudged the defendant "Guilty" and sentenced him to the County Jail for a period of thirty (30) days and revoked his license.
